Employee Tuition Reduction: The Employee Tuition Reduction applies to select Creighton University online graduate certificates, graduate programs, undergraduate degrees, nursing programs and doctorate degrees. Eligible employees and their immediate family members that qualify under their employer tuition assistance benefit policy and meet Creighton's admission criteria for the chosen education program will receive a 5% tuition reduction off the published tuition rate. "Published tuition rate" refers to the standard tuition rate for the specific program as listed in the Creighton University course catalog at the time of the student's enrollment for a given semester. For a full list of tuition rates, visit https://www.creighton.edu/cost-aid/tuition-costs/graduate-tuition. Contact an Admissions Advisor for details. This reduction is subject to Creighton's policies, admission standards, codes of conduct, and procedures and cannot be combined with other tuition reductions. This reduction is valid for the duration of the individual's employment with the participating employer, provided the employee continues to meet eligibility requirements. This reduction is not retroactive and applies only to courses taken after the employee has been approved for the reduction. Tuition reduction applies to the published tuition rates only at time of enrollment and excludes all other costs and fees including books and materials required for enrollment. Creighton University reserves the right to modify or terminate this Employee Tuition Reduction program at any time, with or without notice.
