

ACTIVATE YOUR TUITION.IO TOOLS

Limited-Time Offer: Upload Your Current Student loan Info for a Chance to Win

Sign Up, Upload, and You're In: Enter to Win and Prepare for July 1 Student Loan Changes

Major federal student loan changes take effect on July 1, 2026 and they may impact your path to Public Service Loan Forgiveness (PSLF). To prepare, BILH and Tuition.io are teaming up for a special promotion to help you get ready for these changes.

Between May 1 and June 15, upload your current student loan information and be entered for a chance to receive a one-time payment to be made directly toward your outstanding student loan balance. Up to 25 BILH employees will be randomly selected to win prizes of \$5,000, \$2,500, \$1,000, and \$500, not to exceed the outstanding eligible loan balance.

Here's how it works:

1. Upload your student loan information

- ▶ **If you're new:** Create your [Tuition.io](https://tuition.io) account and upload your current student loan information.
- ▶ **If you already have an account:** Just make sure your current student loan information is uploaded any time after March 1, 2026. *If you've already done this, you're all set — you're automatically eligible.*

2. Provide the right loan documents

- ▶ **For U.S. federal student loans:** Upload your My Aid Data (NSLDS) file from studentaid.gov. It must be a .txt file dated after March 1, 2026.
- ▶ **For all other U.S. student loans:** Upload a recent PDF statement from your loan servicer, dated after March 1, 2026, that includes: Servicer name, loan account number, your name (matching your BILH employment records), current loan balance.

3. Make sure the loan is yours

- ▶ **To qualify, the uploaded loan must be:** A U.S. federal student loan or another U.S.-serviced student loan, and in your name as the participating employee.

4. One account, one chance

- ▶ Each employee may create only one Tuition.io account and can receive only one prize to be applied to their outstanding loan balance through this promotion.

QUICK START

STEP 1

Log in or register at <http://bilh.tuition.io/> today!

STEP 2

Upload your My Aid Data (.txt file) or a recent PDF statement dated after March 1, 2026.
